CREATING YOUR AD: ADS WILL NOT BE RETURNED

1. Use a graphics program such as Adobe Illustrator, Microsoft Publisher or Photoshop and ensure your canvas size matches the ad space you purchase. Dimensions are included above.
2. If you plan on inserting pictures or logos into your ad, ensure they are high resolution images for best quality. 300 dpi works best. Text should be 600 dpi. This ensures a very good printout.
3. Don’t forget your student’s name, a photo, class of, and/or a personal message you’d like displayed!
4. Save your image as a high quality/resolution PDF or .TIFF file. PDF files are generally smaller and easier to email and still retain optimal print quality.
5. Don’t include a photo not meeting school dress code, and don’t include any business info. Business ads are priced differently, and require a separate reservation.
6. If you need photography or assistance with the design and layout of your ad:

Call Siobhan Photography at (281)807-5282, or email siobhanphoto@sbcglobal.net

If you are creating your own ad, you must submit the ad file by **July 15th.*

SUBMITTING YOUR AD (BY JULY 15TH):

1. Insert a CD with your file, personal information & a paper copy of the ad into an envelope and send it to Jill McCall at the address mentioned above.
2. You can also drop off your file and payment in person at the same address.
