

Senior and Junior Class Parents,

For all parking purchases, Langham Creek High School will be utilizing the School Cash Online system for student parking. The entire process for parking, including payment and selection of the desired parking lot must be completed by the student or parent online. Please read in full all details and gather the required documents in order to ensure you are prepared to purchase your student's parking sticker. All portions of the required documentation must be filled out accurately, as the parking spaces will be assigned (not selected) on a first purchased, first served basis for ALL students.

Information for Parents and Students:

- Parking lot selection will be completed by the student/parent during the online payment process. The lots available to choose from are as follows (see parking lot map):
 - 1. West lot – Lot at 529 and closest to Goodyear and LA Fitness (**required** for “Early Release” students and Band students only: All cars in this lot must be moved by 2:50 daily).
