

Langham Creek Parents and Guardians,

As a result of renovations, the Langham Creek reception area has changed with the construction of a security vestibule. Due to these changes, we will not be able to accept lunch deliveries as we have in the past.

We recommend that you not deliver food to school, but if you must, food will be placed on a bookshelf outside the vestibule for pick up by your student. We will not be responsible for food that is left on the bookshelf. All food must be delivered by a parent or guardian.

Also, as a reminder, we do not accept deliveries such as: flowers, balloons, stuffed animals or other gifts from other establishments or third party delivery services.

Thank you for your understanding in this matter.

David Hughes  
Principal
